RE: Cease and Desist any and all operations on the mining claim known as the Ruby Red

This is a formal request that you cease and desist any and all operations on the mining claim known as the Ruby Red. It is also a demand for payment of the material that you have removed from the mine without our knowledge or prior approval.

In addition, you have exceeded the limit of disturbance allowed by our current operating application on file with the Bureau of Land Management, therefore, we are also asking payment to reclaim a portion of the area.

Sincerely,

Jean Smith - Jim Kelsey
